

Introduction. Film tourism - is a relatively new, but already quite popular among fans of the cinema type of tourism. Movie fans are willing to spend a lot of money and overcome hundreds of kilometers to visit the shooting locations of favorite movies and TV shows. What places are the most popular?

Such popular movies like James Bond, The Da Vinci Code, Troy attracted to places for shooting a large number of tourists who want to personally see and touch the places of filming the famous blockbusters.

Among the most popular tourist routes, of course, stands in New York, where the battle raged Avengers flew quarterly Spider-Man and other films the action takes place. After the release of the acclaimed trilogy of Lord of the Rings, New Zealand became the mecca of amateur creations, Peter Jackson and Tolkien. Britain, in turn, attracts fans of Sherlock Holmes and Dr. Watson. Filming famous movies were filmed all over the world. Now it's your turn to go in the footsteps of great directors and actors.

Cities, restaurants, the promenade and the local shops - sometimes all of them play in the movie is not less important than the famous actors. It is these places create a special atmosphere of each individual film. Places where there is an action film, pass the character and mood of the characters. Avid film fans watch their favorite movies on twenty times in a row, trying to guess at what the cafe went the protagonist, on a highway drove away from the chase, in which hotel settled and whether there is served in the morning that same cinnamon roll, which ordered his companion.

The most popular place - this is the famous Hogwarts school, where he studied the great wizard Harry Potter. Every fifth trip to the UK takes place with the aim to get acquainted with the place of shooting of the legendary film. After all, many tourists from all over the UK, namely London, is associated with writer JK Rowling, the magic, the magic of Harry Potter.

Another fabulous place, which is still experiencing a tourist boom, is New Zealand, who became famous thanks to Peter Jackson and his "Lord of the Rings." Tourists try to visit a place Matamata, where there is a village of the Hobbits, the park is Mount Espayring in which the magical forest Isengard, Tongariro National Park, introduces viewers as Mordor. And this is not all the places that fall into the frame of the famous trilogy. This can boast more than 150 scenic spots.

New York - the city that was in the frame of many famous movies. Tourists can walk along the streets, on which such a monster like Godzilla or King Kong, actually see the skyscrapers, which climbed himself Spider-Man have been seen. And at the intersection of 52 Street and Lexington you can see the very grille, the air from the air which rises a white skirt Marilyn Monroe. In this town everyone can find a place that is associated with his favorite movie.

Fans of "Star Wars" will not miss the opportunity to visit Tunisia. It was there, in the Sahara Desert near the town of Tozeur is the village of Luke Skywalker. Fans do not care what it's made of plaster, wood and wire. In addition, such films have been filmed in Tunisia, as "Indiana Jones," "The English Patient."

The capital of the Czech Republic Prague - is the place where the shooting took place the movie "Amadeus" by Milos Forman. Many of the scenes were shot in the Prague opera house that has not changed. kinoturistu will also be interesting to visit the Old Town, Lesser Town and Charles Bridge. These places can be seen in many scenes of the film.

Fans of Marvel's Iron Man 3 can visit many of the locations used in the blockbuster film. Major sound stage work on the 2013 film was completed at Screen Gem Studios in Wilmington, NC. Other scenes took stars Robert Downey Jr., Gwyneth Paltrow and Sir Ben Kingsley to locations across the state of North Carolina, including the Oak Island beach community, the small towns of Rose Hill and Kenansville, urban Raleigh and suburban Cary.

Conclusion. Film tourism is a considerable market proofed by earlier research on how films have affected visitor numbers. However, to have film tourism, a wide co-operation between several parties such as film commissions, screen agencies, tourism agencies, local entrepreneurs and government is needed.
